Given the nature of colour-dyed fabrics, it is possible for some colour variances to occur, within acceptable ranges.

Separate charts are available for other fabric, thread, ink and emblem styles, types and colours.

The Pantone® PMS®, Madeira® [MA####] and Isacord™ [IS####] codes listed in this chart are provided for reference purposes only and are subject to personal interpretation given the potential changes in lighting conditions and material textures. Pantone® and PMS® are registered trademarks of Pantone Inc. Madeira® is a registered trademark of Madeira USA Inc. Isacord™ is trademark of Ackermann-Göggingen AG & Amann & Söhne GmbH & Co.

It is the responsibility of the purchaser to be aware of Polymark's policies in full. Polymark declines all responsibility and liability or any errors or omissions that there may be with respect to this information. These details are subject to change without advanced notice.

Polymark® trademarks, logos, designs and trade forms may not be used, copied or reproduced without express written consent.

Étant donné la nature des tissus teints, il est possible que certaines variations de couleur se produisent, dans des limites acceptables.

D'autres chartes distinctes sont disponibles pour les autres types, styles et couleurs de tissus, fils, encres et emblèmes.

Les codes Pantone<sup>MD</sup> PMS<sup>MD</sup>, Madeira<sup>MD</sup> [MA####] et Isacord<sup>MD</sup> [IS####], indiqués dans ce tableau sont fournis uniquement à titre de référence et sont sujets à interprétation personnelle étant donné les conditions changeantes d'éclairage et de textures de matériel.
