Product Overview

Wear Type

WORK

CORPORATE

MEDICAL

Polymarks long trusted, market leading product Polytrans has now been further developed and evolved into Polytrans Plus.

We have maintained the same robust construction of the product in order to retain the high industrial wash properties expected with Polytrans, whilst removing the solvent elements to create a safer, more environmentally friendly product.

Benefits:

- Greener Product
- Reduced odour
- FR certified as standard
- Faster production times
- Better opacity
- Dye blocking capability
