Product Overview

Wear Type

WORK

CORPORATE

MEDICAL

Ultratrans Plus combines skills in industrial transfer technology with the benefits of digital full colour printing and Oeko-Tex certification.

Reproduces tones, fine detail, multiple colours and photographic quality whilst retaining strong wash performance, application benefits and colour retention qualities inherent in our complete transfer range.

Supplied on clear carrier for accurate positioning. Hot release carrier film - efficient one process application.

Commercial wash performance to 80°C.

Certified

OEKO-TEX

ECO FRIENDLY

EN ISO 11612
