PROMO

Compared to direct embroidery, Emblems can be stocked and applied to garments very quickly; are removable to allow for garment re-use or rebranding.

Embroidered Emblems are manufactured with 100% polyester twill fabrics and 100% polyester embroidery threads, with up to 15 colours per design.

Embroidered Emblems are produced with a choice of high-melt glue, low-melt glue, pressure sensitive, Velcro® or nonwoven backings, and can be heat sealed or sewn onto a wide variety of garments and uniforms.
